SUBJECT: POLAND - NO REPORTS OF FORCED CHILD LABOR IN  
PRODUCTION OF GOODS

REF: STATE 21472

There are no reports of forced child labor or exploitative  
child labor in the production of goods in Poland. We  
inquired with the Ministry of the Interior and  
Administration, the Children's Rights Ombudsman's office, the  
Center for Human Trafficking at Warsaw University (which  
recently did a study with ILO on forced labor in Poland),  
Nobody's Children Foundation (the leading NGO on children's  
issues), and LaStrada (Poland's leading NGO on trafficking).  
None of these organizations was aware of any cases in Poland.
